Applicant submits this amendment in response to the Office Action mailed 12/01/2005. Applicant cancels previous pending claims (29-37) and herein submits new claims 38-46 incorporating all claim changes previously suggested by the examiner to overcome the 35 USC 112, paragraph 2 rejection issued for claims 29-37.

CLAIMS

Applicant encloses a claim listing as required by 37 C.F.R. 1.121. Applicant herein requests that claims 29-37 be cancelled and claims 38-46 be examined. Claims 38-46 adopt and incorporate former claims 29-37 and amend the claims as previously suggested by the examiner to overcome any remaining rejections.

CONCLUSION

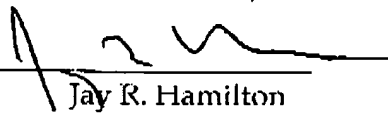

Applicant respectfully requests the present patent application be allowed. If the examiner feels further claim alterations are necessary, applicant is amenable to an examiner's amendment and or a telephonic conference to discuss same.

Respectfully submitted,

MARION CALMER,
